 **MICASSO**[®]
Spanish Design

BRIEF INTRODUCTION

Founded in 2012, MICASSO is a pioneer in the global ceramic industry, dedicated to providing high-end ceramic tiles for consumers who pursue high-quality life.

MICASSO's marketing network covers the world, including China, Italy, France, Germany, Spain, the United States, Australia and other countries. MICASSO has mastered the core technology of high-quality ceramic tile manufacturing through independent design and development, and has accumulated a large number of invention patents.
